Dysarthria: R47.1

Tongue Thrust, Trouble with Swallowing/Mastication: R13.10

Dysphagia Oral Phase: R13.11

Verbal Apraxia: R48.2

Here is a local therapist who does not take insurance but she does work with local regional centers who provide scholarships and funding for services. She also offers several levels of pricing. Many of their coordinators speak Spanish as well. This woman has the highest level of credentials that you can have as a TalkTools therapist - Level 5. Hopefully she can service many of the families. All ages can benefit.

Tracy Andrew - CCC-SLP

Lil' Bloomers Speech Therapy Clinic

337 S. Beverly Drive, Suite 107

Beverly Hills, CA 90212
