**Webinar on
Occupational Therapy & Sensory Processing
For People with Intellectual and Developmental Disabilities**

Speaker: Dr. Shelby Surfas, O.T.D., O.T.R./L.
Associate Professor of Clinical Occupational Therapy and
Director of Occupational Therapy at the U.S.C. UCEDD

**Thursday, April 27, 2017
10:00-11:00 a.m. Pacific Time**

Join us to learn:

- What is sensory processing?
- How to identify signs that a person may need an occupational therapy (O.T.) assessment
- How to get an assessment, and how to make the most out of the process
- Signs an individual is benefiting from O.T.

This FREE webinar is designed for family members, people with developmental disabilities, and advocates. It will include a presentation and Q & A session. Professionals are welcome to attend; however, questions from people with disabilities and family members will be given priority.
