Join us to learn about a new law:

- How the Workforce Innovation and Opportunity Act (WIOA) differs from the Workforce Investment Act (WIA)
- What it means for people with disabilities who want to work, including a focus on youth who are preparing to work

This FREE webinar is designed for family members, people with developmental disabilities, and advocates. It will include a presentation and Q & A session. Professionals are welcome to attend; however, questions from family members and consumers will be given priority.

Our speakers are with the California Department of Rehabilitation: Bill Moore is the Deputy Director of the Vocational Rehabilitation Employment Division, and Kelly Hargreaves is Chief Counsel of Legal Affairs.
